Reductions applicable

Concerning those ships which transport passengers, when the ratio which exists between the number of disembarking passengers, embarking passengers and transferring passengers and the capacity of the ship in terms of passenger number is equal or inferior to the rates below, the entry and exit fees are reduced by the following proportions.

Ratio inferior or equal to 2/3	Reduction of 10 %
Ratio inferior or equal to 1/2	Reduction of 30 %
Ratio inferior or equal to 1/4	Reduction of 50 %
Ratio inferior or equal to 1/8	Reduction of 60 %
Ratio inferior or equal to 1/20	Reduction of 70 %
Ratio inferior or equal to 1/50	Reduction of 80 %
Ratio inferior or equal to 1/100	Reduction of 95 %

For those ships not belonging to regular shipping lines which regularly call into the same port, the following port tax reduction will be granted according to the number of times they come alongside in the same civil year.

From the 1 st to the 3 rd ship coming alongside inclusive	No reduction
From the 4 th to the 6 th ship coming alongside inclusive	Reduction of 5 %
From the 7 th to the 9 th ship coming alongside inclusive	Reduction of 10 %
From the 10 th to the 15 th ship coming alongside inclusive	Reduction of 15 %
From the 16 th to the 25 th ship coming alongside inclusive	Reduction of 20 %
Beyond the 26 th ship coming alongside inclusive	Reduction of 30 %
